## NATURES

### Range Overview

Our entry price point bath and body range consisting of range of 6 scent families with an additional 2 International only scents. Designed to nourish and care for skin, smell delicious and not break the bank.

## NATURES WELLBEING

UNWIND - LAVENDER & CAMOMILE

RECHARGE - GRAPEFRUIT & ORANGE

DESTRESS - BAMBOO & JASMINE

These 3 scent families are the latest addition to the Natures range, noted by their slightly more modern and elevated design.

They have a wellness focus with each designed to either help you to unwind, relax or recharge through their gorgeous fragrance notes.

Each scent includes; a Shower gel, scrub, bath foam, hand wash, hand/body lotion and hand cream.

*UK best seller is the Unwind range.*

## NATURES INGREDIENTS

COCONUT & ALMOND

LEMON & NEROLI

ALOE & CUCUMBER

These 3 scent families form our core Natures range consisting of favourite fragrance combinations; Coconut & Almond, Lemon & Neroli, Aloe & Cucumber. These have been our best selling scents within the range for quite some time.

Each are designed to have a very fresh, punchy and natural smelling aroma whilst caring for your skin.

Each scent includes; a shower gel, scrub, bath foam, hand wash, hand/body lotion, hand cream and roll on deodorant.

*UK best seller is the Lemon & Neroli range.*

## NATURES – INTERNATIONAL ONLY

WATERLILY

STRAWBERRY

These 2 scent families form part of our more historic Natures range consisting of favourite fragrance combinations; Waterlily & Strawberry offering customers a slightly more feminine floral and fruity option.

Each scent includes; a shower gel, scrub, bath foam, hand wash, hand/body lotion, hand cream and roll on deodorant.
