POST SURGERY RECOVERY BRA

Why do I want it?

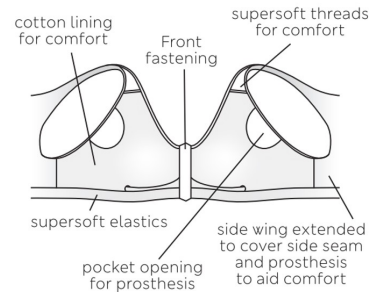

Turn to this specially designed front fastening bra for support after surgery. Full cup shape for maximum coverage, with a discreet breathable cotton pocket to hold a prosthesis. Made from softer fabrics that's kind on delicate sensitive skin, with Cool Comfort™ Technology.

How does it work?

- Hidden prosthesis pocket for a natural shape
- Designed in softer fabrics that won't rub against sensitive skin
- Cotton liner used for breathability and comfort
- Soft components for all day comfort
- Non-wired to ensure maximum comfort for everyday wear
- Front fastening for that easy on and off
- Strap adjustability to customize the customers preferred fit
- With Cool Comfort™ Technology finish which wicks moisture away from the body to keep you cool.
